

SHANGHAI STAR TREND ENTERPRISE CO., LTD.

**Blank white card without any color, entirely plain white
for easy printing by yourself**

Overview

Blank white cards are preferred for individual users, including clubs, restaurants, gyms, cafes, grocery stores, bars, hair salons, etc., to issue membership cards and print member information.

Blank white card is made of high quality white PVC. The size and thickness of the [blank white pvc id cards](#) are produced in strict accordance with the standard ISO7810 for bank cards. Rely on the quality control, we ensure that the card surface of each card is clean and the card body is flat, which is suitable for all common card printers or digital printing devices. Whiteness in line with European standards perfectly complements the customer's design artwork and presents the best color.

SHANGHAI STAR TREND ENTERPRISE CO., LTD.
